Set-up and Use of your bath hammock™

1 Place folded bath hammock on a level and hard surface.

2 Unfold hammock base until it snaps in place and you hear an audible "click". Flip over hammock base, swing out top and bottom support legs until they snap into place and you hear an audible "click".

3 Pull out hammock sling and secure fastening clip onto top of bottom support leg by sliding it into place.

4 A green label will show through the locked indicator slot, indicating that the hammock is secure.

IMPORTANT: If a green label is not shown through the locked indicator or is only shown partially, it means that the fastening clip is not fully secured.

Place product in desired location. Place infant carefully onto hammock sling to bathe. Never leave infant unattended. Refer to warnings.

Note: To retract hammock sling, unfasten clip from bottom support leg and release. Sling will automatically retract into top support leg.

The hammock sling can also be retracted by manually turning the sling retracting dial.
