## Features & Components

## Set-up and Use of your perfect height tub™

1 Snap on hammock sling onto tub edge.

2 Insert feet through foot cover openings and snap into place. You will hear an audible "click". Repeat assembly for other foot cover.

3 Push in tabs and insert foot into tub leg until it snaps in place. You will hear an audible "click". Repeat for back feet.

4 Pull out hammock sling and secure fastening clips onto top of other end of tub by locking it into place. Ensure that sling is safely secured before placing infant in it.

5 Place product in desired location. Place infant carefully onto hammock sling to bathe.

6 To retract hammock sling, unfasten clips from other end of tub and release. Sling will automatically retract into retractable compartment.

7 As your child grows, the tub can be used without the hammock sling and feet. Simply un-snap the hammock sling retractable compartment and remove feet from tub. Push on tabs to remove feet from tub.

## Care and Maintenance
